

International Internship Programs

London Internship Abroad

[EUSA](#)

Students earn 15 credits and participate in an internship offered in partnership with EUSA. EUSA began placing students internships in London for Boston University more than 25 years ago. They design and implement high quality, customized internship programs that immerse students in new professional, social, and academic cultures. Students have the opportunity to combine classroom learning with a full-time internship in London.

Location: London

- Capital city of the United Kingdom and financial capital of the world
- Rich in culture including theater, architecture, history and art

Program Dates:

Spring semester

Program Organization:
