#### Meet the Firms

9/7/11	Accounting Meet the Firms
9/13/11	All Business Meet the Firms – Day One
9/19/11	All Business Meet the Firms – Day Two

Meet the Firms are functionally targeted events that connect recruiters and alumni with Washington University and Olin students. We host them each fall in St. Louis at Washington University's Charles F. Knight Executive Education & Conference Center. These begin with an upscale career fair – the Company Expo – followed by a networking reception.

In January, Talent Road Shows bring our students, faculty and staff together for networking receptions, career development panels and interviews. In addition, students can participate in a Road Show visit hosted by your company. These visits build awareness for your company and give you an opportunity to preview our talent on your home ground.
